

the village VOICE

JULY 21–27, 2004 VOICE CHOICES

Photo

'POOL PARTY' Although this cleverly curated group show opens with a 1970 Slim Aarons photo of three chic women at a Richard Neutra house in Palm Springs, the aura of poolside privilege dissipates pretty quickly. Witness Diane Arbus's portrait of a couple perched on a plastic chaise longue at a singles club and Susan Lipper's shot of three dripping-wet guys leaning over the side of an aboveground pool, Buds at the ready. Also making a splash: Larry Sultan, Jeff Burton, Andrea Modica, William Lamson, John O'Reilly, and Karine Laval. *Through August 6, Yossi Milo Gallery, 552 West 24th Street, 212.414.0370 ALETTI*
